

## Newsletter March 2021!

Welcome to our newsletter for service users' parents, and carers. We aim to issue the newsletter on a regular basis to keep everybody up to date with news, upcoming events and items of general interest.

### Re-opening of services!

It's really nice to be finally able to talk about re-opening services for the majority of you who have spent all or part of the past year not able to attend any building based services. As you are aware the Government have issued a roadmap for the easing of lockdown. With this in mind Leicestershire County Council have produced a similar road map for day services to re-open mirroring the easing in national lockdown measures. Over the coming weeks Deb and I will be making contact with everyone to establish what their views are about returning and making arrangements to facilitate this as far as possible. This process is due to start after Easter as long as the national lockdown is eased as currently planned.
