

Newsletter February 2021!

Welcome to our newsletter for service users' parents, and carers. We aim to issue the newsletter on a regular basis to keep everybody up to date with news, upcoming events and items of general interest.

Craft Packs & Woodwork packs

While we are all living in Lockdown again there is a number of you working on one of the craft or woodwork packs. We would love to see your finished products which we could then show in the newsletter. Just take a picture of your item and email it to: admin@supportconnections.co.uk

Zoom groups

The Zoom groups on Monday and Wednesday afternoons are a great way to keep in touch with friends. On Monday afternoon Beth has a Music & movement class which is very lively and great fun. On Wednesday Jordan has a Zoom social club where the group has quiz's and enjoy chatting to each other about what they have been doing.

If anyone would like to join in these groups just let us know your email address so that we can send you a link!

David's garden

David, who is assistant editor of the newsletter, has been working hard on his garden for the past couple of years and wanted to share the results of his hard work with you! With the likelihood we will all be spending more time in our gardens again this spring we thought it would be nice to share gardening tips and ideas – please email any

you have as well as photos to: admin@supportconnections.co.uk then watch this space next month!

Goodbye to John

As some of you will already be aware John Denton retired at Christmas. John has worked for Support and Connections for many years and will be sorely missed. John worked in finance for his main career and only after retiring from that role did he start his second career in the adult social care sector, along with his wife Chris with whom he worked for Shared Lives as well as Mencap.

John and Chris have decided to relocate to sunny Scotland for their retirement, although they will still be regular visitors to the East Midlands, where they have a large family.
