At the end of last year, we were delighted to receive the fantastic news that we had been awarded a grant from Melton Borough Council to make our allotment accessible. We are thrilled to begin work on this project in the spring and deeply grateful for this incredible opportunity. This grant will allow us to create a more inclusive and welcoming space for everyone to enjoy. Stay tuned for updates as we make progress—we can't wait to share this journey with you!

## Jewellery Making

As we stepped into the new year, we embraced an exciting new activity—jewellery making! This creative process allows us to design and craft unique, handcrafted pieces, and we've been having a fantastic time learning and perfecting this new skill. It's been a wonderful journey of creativity, and we can't wait to see where it takes us! You can purchase these unique pieces from The Hideaway Takeaway at our Melton base on a Tuesday morning.

## Remembering Pam

This 2025 Winter edition of the Support & Connections Newsletter is dedicated to our dear Pam, who sadly passed away at the beginning of the year. Her kindness, warmth, and infectious spirit left a lasting impression on all of us. We will cherish her memory and feel the absence of her presence every day. Our heartfelt thoughts are with Pam's family and loved ones during this difficult time. She will always hold a special place in our hearts.
