Open Day Success

We are very excited to welcome our new manager Deb. Having previously been our deputy manager, Deb knows the company and everyone very well. We can't wait to see what the future holds!

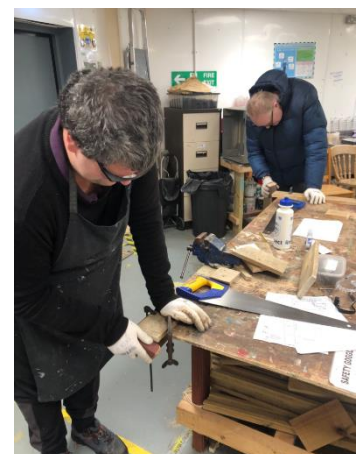

Building Work

Over the Christmas holidays we've had some exciting building changes. Mowbray Interiors and Five Star Electrical have been in to put in a brand-new ceiling, new electrics, and new insulation. Our building looks so much better and is now much warmer. We are so pleased!

Planters Project

We have been busy making planters for Corby Glen Community Primary School. They sought us out after hearing of our amazing woodwork skills and have commissioned us to make 8 planters for their gardening project.
