

Newsletter April 2022!

Welcome to our newsletter for service users' parents, and carers. We aim to issue the newsletter on a regular basis to keep everybody up to date with news, upcoming events and items of general interest.

Services update

In February, the Government announced that Covid rules would be relaxed and that the country would move to a position where people had to take personal responsibility for keeping the spread of Covid to a minimum, rather than having to comply with legal rules. Since then, we have continued with staff wearing masks indoors, practising social distancing, frequent hand washing and wearing PPE (Personal Protective Equipment) where needed, which has ensured the safety of all those using our service as well as the staff working each day.

Grand bookshop opening!

On 25th March we were delighted to finally open our second hand bookshop called The Secret Bookshop. We were very pleased with the number of people who came along, enticed by the offer of free coffee and homemade cake. The bookshop is now open every Friday from 10-12 so please come along and see what we are up to one Friday! If we continue to be busy we will be opening on other days during the week.
